Welcome to UNI!

Username
Your username is a unique 3-8 character account name that identifies you as a member of the UNI community. Your UNI username will be with you throughout your affiliation with UNI. If you graduate from UNI, then return later as an employee, you'll retain the same username.

You have one opportunity to change the system-generated username. To change your username please go to https://access.uni.edu/cgi-bin/gun/gun_select.cgi

Password
Your password, in conjunction with your username, allows you access to various online resources and computers on campus. For security reasons, you are required to change your password the first time you log in.

New to UNI
If you are accessing email or MyUNIverse as a new user, your initial password is in one of two formats. Try either of these formats:

1. the format mmdd$nnnnnn (mm is the first 2 letters of your birth month, dd is the 2 digit number of your birth day, and nnnnnn is your 6 digits university ID#, example: ja01$123456)

   or

2. the format panthersnnnnmmdd (nnn is the last three (3) digits of your University ID#, mmm is the first three letters of your birth month, and dd is the 2 digit number of your birth day). example: panthers456nov23 (all lower case)

Returning UNI Employees and/or Students
If you are accessing email or MyUNIverse as a returning employee and/or student, you will need to contact the Computer Consulting Center (CCC) at (319) 273-5555 to have them reset your password.

Your new passphrase must be at least 15 characters long. For a complete listing of password requirements please got to http://www.uni.edu/its/support/article/706

Support
If you need assistance with your username or password, do not hesitate to contact the UNI Computer Consulting Center (CCC) at (319) 273-5555. The CCC is located in Room 36 ITTC Building (East Gym). Consultants are available to provide hands-on assistance daily Monday through Friday during University Business Hours.
