## 3.0 General UNI Information

The University of Northern Iowa was established in 1876 in Cedar Falls, Iowa, as the Iowa State Normal School, "A school for the specific instruction and training of teachers for the common schools of the state." Renamed the Iowa State Teachers College in 1909 and the State College of Iowa in 1961, the institution gained its present status in 1967.

Evolution from a state college to a University entailed a broadening of offerings, development of more specialized undergraduate and graduate programs, and greater emphasis on research and public professional services. The University of Northern Iowa has grown from a school with four faculty, three staff, and 27 students on a 40-acre campus to a University with around 650 faculty and more than 12,000 students on a 940-acre campus.

UNI offers more than 90 undergraduate majors in four colleges, including the Colleges of Business Administration, Education, Humanities, Arts & Sciences, and Social and Behavioral Sciences. Through these colleges, six different undergraduate degrees can be earned: Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music, Bachelor of Science, and Bachelor of Technology.

The University also offers several graduate degrees. The Graduate College provides a Master of Accounting, Master of Arts, Master of Arts in Education, Master of Business Administration, Master of Music, Master of Public Policy, Master of Science, Master of Social Work, Specialist in Education, Specialist in Science, Doctor of Education, and Doctor of Technology.

UNI has many other opportunities as well. The University has more than 250 organizations including special interest clubs, sororities and fraternities, religious groups and academic honoraries. UNI competes in 15 men's and women's athletic teams at the NCAA Division I level in the Missouri Valley Conference-excluding the football and wrestling teams. The Panther football team is in the FCS division in the Missouri Valley Football Conference. The Panther wrestling team competes in the Mid-American Conference.

All members of the University community are accountable for compliance with this policy. All University employees shall report all suspected incidents of discrimination or harassment. ### **3.6 Violence Free Campus**

This policy is intended to enhance the safety and security of students, employees and visitors at the University, and provides guidelines and procedures for managing issues related to campus safety.

Violence impedes the goal of providing a safe living, learning, and working environment. Violence is contrary to the mission of the University and will not be tolerated. All students and employees of, and visitors to, the University of Northern Iowa are covered by this policy. This policy applies to all property owned or used by the University (hereafter referred to as “campus”) as well as conduct at University related activities. Any person responsible for violence may be subject to discipline, removal from campus, legal action, and/or other appropriate action. For the full policy, please visit <http://www.uni.edu/policies/710>.

### **3.7 Genetic Information Nondiscrimination Act (GINA)**

Genetic Information includes an individual’s genetic tests, genetic tests of family members, an individual’s family medical history, requests for genetic services, or genetic information of a fetus. While it is each individual's choice whether or not to share personal information, employees are encouraged not to disclose genetic information, of themselves or family members, to co-workers or supervisors. This is not to stifle open communication and camaraderie; however, employees need to understand the full implications of sharing such information. The best practice for compliance under GINA is to not discuss genetic information in the workplace. For more information on GINA, please visit <https://uni.edu/hrs/bestpractices/gina>.

### **3.8 Conflict of Interest (Nepotism) Policy**

No employee may participate in the decision to hire, retain, promote, grant tenure to or determine the salary of an immediate family member. For more information on this policy visit the following websites: <http://www.uni.edu/policies/403/> and <http://www.iowaregents.edu/plans-and-policies/board-policy-manual/21-human-resources/>.

UNI provides telework arrangements to employees when it is mutually beneficial to both the University and the employee. Approval of telework arrangements will be made on a case by case basis. A telework arrangement does not change the terms and conditions of employment with the University. For more information about the Telework Policy and process as well as links to the request and agreement forms, visit <http://www.uni.edu/policies/426>.

### 3.10 Drug and Alcohol Policy

It is the policy of the University of Northern Iowa and the Board of Regents to provide for a drug-free workplace and learning environment. Alcohol and drug abuse pose a threat to the health and safety of University faculty, staff, students, and visitors. ---

Students who violate this policy may receive any of a number of sanctions including an official warning, conduct probation, suspension, expulsion, or referral for prosecution, and may be required to pay for any damages they caused. Depending upon the circumstance, participation in an educational program and/or a treatment program may also be required.

Employees who violate this policy may be referred for an educational/treatment program and may be subject to disciplinary action including a formal reprimand, being placed on enforced leave status, suspension, termination and/or referral for prosecution. Please refer to the full UNI Drug and Alcohol policy at <http://www.uni.edu/policies/413>.

### 3.11 Conflict of Interest of Public Officers & Employees Policy

The Board of Regents has a comprehensive policy as to what constitutes a conflict of interest ([Chapter 2.1 Section 4F](#)). The policy, in general, provides that Regent employees shall not sell any goods or services to any Regent institution if the value exceeds \$1,000 per transaction or \$2,000 annually unless pursuant to pre-approval by Procurement Services. It also requires any sale greater than \$2000 be reported to the Iowa Ethics and Campaign Disclosure Board by the "Conflict of Interest vendor" / "employee" within twenty days of making the sale. Further, any employee who has an ownership interest in, executive position, or other remunerative relationship with prospective suppliers of goods or service, shall not participate in preparing of specifications, qualifying vendors, or selecting of final vendor for award. For more information on exceptions contact Jon Westhoff in Procurement Services at (319) 273-6246 or via email at [jon.westhoff@uni.edu](mailto:jon.westhoff@uni.edu).

### 3.12 Gift Policy

A public official, public employee, or member of their immediate family (defined as spouse or dependent or minor children) is prohibited from soliciting, accepting, or receiving gifts from a "restricted donor" (as defined by law).

Similarly, employees may not offer or give gifts to state officials, legislators, public employees, candidates, etc. A person may not join with others to offer or make such a gift.

Food, drink, or other non-monetary items may only be accepted or given as “gifts” if their value is three dollars or less.

Any employee who does not comply with this section of the law would be guilty of a serious misdemeanor and may be subject to job-related discipline.

Questions concerning this policy should be directed to Tim McKenna, (319) 273-3241 or [tim.mckenna@uni.edu](mailto:tim.mckenna@uni.edu). For more information about this policy, please visit the Board of Regents website at <http://www.iowaregents.edu/plans-and-policies/board-policy-manual/21-human-resources/>.

### 3.13 Health and Safety Procedures

#### **Bomb Threats:**

Any communication received by a staff member pertaining to a bomb threat should be relayed to the UNI Police immediately at (319) 273-4000.

#### **Severe Weather:**

Severe Weather Shelter Areas have been established in every building for use in emergency conditions. All employees should familiarize themselves with the locations of the Severe Weather Shelter Areas within their buildings by visiting <http://www.vpaf.uni.edu/ehso/acad-shelters.shtml>. There are several methods of warning employees when to take shelter:

*Black Hawk County Warning System:* This is a system of outdoor sirens that, when activated, mean take immediate shelter. This system is tested on the first Wednesday of each month at 11 a.m.

*UNI Alert:* This system notifies the campus community of emergencies and threats to physical safety using cell phone, landline phone, e-mail, and text-messaging.

*UNI Loudspeaker System:* This system is a network of loudspeakers across campus that will be used to notify the campus community of emergencies and threats to physical safety using either a siren or voice messaging.

#### **Fire Alarm:**

The fire alarm warning systems within buildings may be either bells, horns or electronic announcements activated by smoke or heat detectors. They may also be activated by pulling the lever on one of the manual fire alarm pull stations located in the corridors of each building.

In case of fire:

- Activate the fire alarm system by pulling the lever on the pull station.

- Evacuate the building closing doors behind you and assemble in a remote location for a head count (do not attempt to put out fire unless trained in the proper use of fire extinguishers).
- Call UNI Police: (319) 273-4000.
- Call Cedar Falls Fire: 9-911 on campus phone or 911 on cell phone.

All Staff members are expected to familiarize themselves with the locations and operations of fire alarm pull stations and extinguishers.

**Chemical Safety:**

Staff members are encouraged to take an active role in identifying potential hazards including unlabeled or deteriorated products, and bringing them to the attention of their supervisor and/or the Environmental Safety Specialist at (319) 273-3445.

The [University Hazard Communication program](#) requires:

- Departments to create hazardous chemical lists to identify and monitor hazardous chemicals on campus.
- Departments to keep Material Safety Data Sheets (MSDS) on chemicals and products used by their employees.
- Training for all new employees working with chemicals. Training needs to include detecting the presence or release of hazardous chemicals, the physical and health hazards associated with the chemicals, and protective measures to be taken when using these chemicals. Training must also include where the MSDS are kept and how to read them.
- Re-training of current employees when new chemicals are introduced to their area.

**Work Related Injuries:**

In compliance with the Workers' Compensation law, the University provides benefits to eligible employees who have injuries that occur while on the job. Faculty, Staff, and Student employees, who feel they are injured during the course of employment, should report all injuries to their supervisor immediately. After ensuring the employee receives proper medical care, a First Report of Injury form should be completed by the supervisor within 24 hours of the injury being reported. The First Report of Injury form can be found on the forms repository at: <https://uni.edu/hrs/sites/default/files/mybenefits/FROI.doc>

For more information on Workers' Compensation please visit:

<https://uni.edu/hrs/mybenefits/workerscomp>.

Other information regarding employee safety and health may be found at the UNI Environmental Health and Safety website at <http://www.vpaf.uni.edu/ehso/index.shtml>.

**Reporting Safety Concerns:**

Employees are asked to report any known safety concerns, such as structural building problems, potentially unsafe equipment, tripping/fall hazards, unsafe working conditions, or other unsafe conditions impacting the campus community.

- Concerns regarding snow and ice removal should first be reported to Grounds Services by calling [319-273-4400](tel:319-273-4400).
- For concerns that pose a serious and immediate threat to safety, please call the UNI Police at [\(319\) 273-4000](tel:319-273-4000) so they can secure the area. For concerns about faculty, staff, students, or guests, please go to [www.uni.edu/safety](http://www.uni.edu/safety) and contact the appropriate office based on the criteria listed.
- If you know a person is at risk of suicide, a threat of harm to others, or exhibiting severely disorganized, psychotic or out-of-control behavior, immediately dial 911 or call UNI Police at [\(319\) 273-4000](tel:319-273-4000).

Other safety concerns may be reported online at <http://www.uni.edu/healthsafetycommittee/report-safety-concern>.

### 3.14 UNI Alert System

The UNI Alert System notifies the campus community of emergencies and threats, such as tornado, violence, hazardous material incident, cancelled classes, University closure, etc. Students, faculty, and staff are simultaneously notified by cell phone, landline phone, email, and text messages when a threat or campus emergency is identified. The entire campus community can be notified in about 20 minutes.

The system automatically includes all current students, faculty, and staff that are located on campus and have provided their information in the UNI Directory. If your information is not up-to-date or if you would like to change/add an alert method or add additional contacts (such as a spouse or family member), you can do so by accessing your [MyUNIverse](#) account and clicking on Update my personal information/UNI Alert tab. For additional information about the UNI Alert System please visit the following website, <http://www.uni.edu/resources/alert>.

### 3.15 Adverse Weather Conditions

It is the policy of the University to generally maintain a regular schedule during periods of severe weather. Employees have the opportunity to make their own decision about reporting to work with due consideration for travel safety conditions. The Senior Vice-President for Finance and Operations may declare reduced operations due to a severe weather emergency. Such declaration applies to faculty, staff, and students and may involve a delayed start of the normal work schedule to permit safer travel, clearing of fire lanes and parking lots, etc. Pre-designated employees (e.g. Public Safety, Residence Custodial, University Health Services, Maintenance and Dining Service, Physical Plant, Power Plant and Plant Service snow removal staff) are expected to make special efforts

to report or remain at work in order to provide food, health, and safety services to the campus community and emergency repair and maintenance services of University property. In rare cases, the University may be declared closed. For information about weather-related reduced operations or the closure of the University, employees should sign up for the UNI Alert system, tune in to radio or television stations that have been identified by University Relations for this purpose or refer to the UNI home page.

P&S employees would typically code the time missed as accrued vacation (non-temporary only) or unpaid leave unless other arrangements have been made with their supervisor. For more information, visit the Adverse Weather web page at <https://uni.edu/hrs/mybenefits/adverse-weather>.

### 3.16 My UNIVERSE

[My UNIVERSE](http://www.uni.edu), located on the UNI website (<http://www.uni.edu>), contains personalized, on-line information for all faculty, staff, and students. My UNIVERSE can be used to update personal information, access UNI email accounts, uncover campus events and news, access the University calendar, complete timecards, view pay slips, locate information on annual fringe benefits, and retrieve leave balances and reports.

### 3.17 Personal Emergency Contacts

In the event of an employee injury, sudden illness or emergency at work, it is important to have accurate, up-to-date emergency contact information available so contacts can be notified. Employees are encouraged to enter personal emergency contacts by accessing your [MyUNIVERSE](#) account and clicking on Emergency Contact Info.

### 6.1 Employment Opportunities

For a listing of current open positions at the University of Northern Iowa, please visit the Jobs@UNI page at <http://jobs.uni.edu/>.

### 6.2 UNI Equal Opportunity Policy

The University has established its equal opportunity policy as follows:

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, any educational program, or any activity of the University, on the basis of age, color, creed, disability, ethnicity, gender identity, genetic information, marital status, national origin, political affiliation, pregnancy, race, religion, sex, sexual orientation, veteran or military status, or on any other basis protected by federal and/or state law. The University of Northern Iowa seeks to prohibit discrimination and to promote affirmative action in its educational and employment policies and practices. Please refer to the full policy at: <http://www.uni.edu/policies/1303/>

### 6.3 Position Openings and Placement Standards

Information concerning University P&S position openings is in accordance with affirmative action principles, communicated to potential candidates outside the institution via advertisement, placement agencies, websites, etc. Like information is also circulated throughout the University to permit qualified persons already serving within the institution

to apply. Candidates for P&S position openings are required to possess minimum placement qualifications.

The primary standard for all University P&S position placements requires that the candidate recommended be, in so far as can be determined, the best qualified applicant available for the position. Candidates for placement with P&S positions are evaluated without reference to race, sex, creed, age, disability, or other criteria prohibited by law.

## 7.0 P&S Positions

### 7.1 Definition-P&S Positions

University P&S position assignments are designed to aid in the attainment of goals and objectives established in accordance with the mission of the institution. P&S staff assists in the formulation and administration of institutional policies and aid in the execution of academic, student, and administrative services as required with University operations.

### 7.2 Appointment and Service Status

The appointment categories noted below are applicable for University P&S staff in connection with permanent and temporary position assignments.

#### **Temporary Appointment:**

Designated for an uncertain period of time to complete a particular project or to carry out certain duties and responsibilities. Appointments may be full- or part-time for an appointment period which shall not extend beyond one year (12 months). Up to one year of consecutive temporary service with a schedule of half time or more may be credited toward a probationary appointment period when such service immediately precedes the probationary appointment and a provision for credited service is specified in writing by the University at the time the latter appointment is made.

#### **Term Appointment:**

Designated for a specific period of time required with a project, grant, contract, special activity offering, or in connection with a program for which a limited funding period may exist and/or renewed funding periodically may be required. Subsequent term appointments involving a like service schedule may be granted. Up to two (2) years of term service which involves a schedule of half time or more may be credited to a probationary period when such service immediately precedes the probationary appointment and a provision for credited service is, at the time of the latter appointment, specified in writing.

**Contract Appointment:**

Designated for an annual period paralleling an athletic program schedule. All staff members holding a contract appointment in intercollegiate athletics shall execute a written contract detailing the salary and benefits associated with the contract appointment. Subsequent contract appointments may be granted. Up to one year of contract service may be credited toward a probationary period when such service immediately precedes a probationary appointment and a provision for credited service is, at the time of appointment, specified in writing.

**Probationary Appointment:**

Designated for the staff member serving with a permanent P&S assignment during the initial period of such University service. The probationary appointment continues for three (3) to five (5) full fiscal years during which time the staff member's performance is evaluated to determine whether the continuing service appointment is to be designated. Probationary service credit continues to accrue when a staff member holding a probationary appointment experiences a position reassignment as the result of promotion, demotion, or transfer.

**Continuing Service Appointment:**

Designated upon successful completion of a probationary or provisional appointment. Position rights and privileges conferred with a continuing service appointment remain effective for the P&S staff member in the absence of an annual or provisional appointment. Rights with respect to a continuing service appointment are forfeited for the duration of an annual appointment and with a provisional appointment must be re-established in accordance with applicable provisions.

**Provisional Appointment:**

Designated for the P&S staff member holding continuing service status when a reassignment to a permanent position occurs with a promotion, demotion, or transfer action. The provisional appointment is, at the time of position placement, designated for a period of up to two (2) fiscal years.

**Annual Appointment:**

Designated for the P&S staff member serving in a position identified by University administration as covered by the provision of the Board of Regents Procedural Guide thus exempt from University [P&S Staff Policies and Procedures](#) relating to service rights and privileges conferred with continuing service status. The annual appointment is designated with position service involving major administrative assignments, policy development, and/or other related exempt duties and responsibilities.

**Notice of Non-Reappointment**

A P&S staff member's appointment is considered to be renewed unless he/she is specifically advised in writing of non-reappointment.

### 7.3 FLSA Exempt vs. Non-Exempt

Non-Exempt staff are entitled to overtime pay or compensatory time pursuant to the Fair Labor Standards Act (FLSA). Exempt staff are not entitled to overtime or compensatory time.

Whether a staff member is exempt or non-exempt depends on a) how much they are paid, b) how they are paid, and c) what kind of work they do. To be exempt a staff member must a) be paid at least \$455 per week (salary test), and b) be paid on a salary basis (salary basis test), and also c) perform exempt job duties (duties test). Staff must meet all three “tests” to be exempt. HRS determines if staff are non-exempt or exempt.

### 7.4 Pay Basis

Exempt P&S staff are paid on a salary basis and are not eligible for overtime or compensatory time.

Non-Exempt P&S staff are paid either on an hourly or on an hourly paid salary basis. (Please review the copy of your Personnel Action Form to determine your pay basis). For staff paid on an hourly basis, the pay-through date will begin approximately at the middle of the month and end at the middle of the following month. Payroll periods and paydays can be found at <https://uni.edu/obo/payroll/dates>.

An hourly paid salary staff member is paid their regular pay in equal monthly paychecks with no lag in pay. The monthly P&S salary will be 1/12<sup>th</sup> the annual salary which is the number of regular work hours in the year multiplied by the hourly rate. Both hourly and hourly paid salary staff are eligible for overtime, or compensatory time, for hours worked over forty (40) in any workweek (Sunday – Saturday). For more information on compensatory time, see section 15.7.

### 7.5 P&S Policies and Procedures

To view all P&S Policies and Procedures, please visit [https://uni.edu/hrs/sites/default/files/documents/ps\\_policies\\_procedures.pdf](https://uni.edu/hrs/sites/default/files/documents/ps_policies_procedures.pdf).

## 8.0 Performance Appraisal Program

The University Performance Appraisal Program for P&S staff is designed to evaluate the accomplishments of individual staff members in terms of mutually agreed upon performance objectives. Such objectives are identified by the P&S staff member and his/her department head to insure consistency with formally established department and division objectives and goals.

The appraisal program, with applicable forms and procedures, is designed to assist the P&S staff member in assessing past performance and development of plans for future

action in cooperation with and under the guidance of his/her department head. Included in such review and planning procedures is the development of objectives relating to both position performance and personal professional development.

Performance appraisal proceedings are conducted annually; however, a more frequent assessment of performance may be arranged as required with a position reclassification, reassignment, promotion, or demotion. A staff member may also request from his/her department head a performance appraisal at any time. For performance appraisal information and forms please visit <https://uni.edu/hrs/ps/perf-appraisal>.

## 9.0 Reduction in Force Proceedings

In the event it becomes necessary for the University to reduce its P&S staff services as a consequence of a shortage of funds, lack of work, revision in work, unit organization, curtailment in program offerings, abolishment of position(s), or a like action, an effort will be made to accomplish adjustment of staff through attrition, rotation and reassignment of staff, adjusted service periods, and similar means provided such steps can be arranged in a manner that will not impair the efficiency of affected service units of the University as a whole. For additional information, view the full Reduction in Force proceedings within the P&S Policies and Procedures at [https://uni.edu/hrs/sites/default/files/documents/ps\\_policies\\_procedures.pdf](https://uni.edu/hrs/sites/default/files/documents/ps_policies_procedures.pdf).

## 10.0 P&S Council

A Professional and Scientific Staff Council was established in 1978 for the purpose of studying, formulating, and recommending to administrative officers of UNI policies of interest to Professional and Scientific employees. The Council, consisting of representatives elected by division members, meets monthly during University office hours. Meetings are open to the public unless voted into executive sessions. Meeting notices, minutes, a list of members, and the Council's constitution and bylaws can be found at [http://www.uni.edu/ps\\_council](http://www.uni.edu/ps_council).

## 11.0 P&S Staff Compensation Plan

### 11.1 Entrance Salary

The salary for the P&S staff member joining the University normally will be established within the first quartile range of the pay grade in which the position is classified. Only when employment conditions affect recruitment effort or a candidate brings to a position

outstanding prior training and experience related directly to a position may an entrance salary above the first quartile be qualified.

### **11.2 Merit Increases**

The ability of the University to provide merit salary adjustments for P&S staff members who demonstrate outstanding service is dependent upon the extent of funds appropriated and limitations applicable, with such funding as salary allowances, are determined.

### **11.3 Compensation with Promotion**

The exact amount of such increases are determined in part by the number of grades involved in the promotion and by the anticipated future performance of the individual promoted.

### **11.4 Compensation with Transfer**

The P&S staff member who is transferred from one position to another in the same pay grade normally will receive no salary adjustment. The salary of the staff member who experiences a transfer involving a change from a position in one pay grade to another pay grade is adjusted in accordance with regulations regarding promotion or demotion.

### **11.5 Compensation with Special Position Assignment**

The P&S staff member who is given a special position assignment is compensated at the minimum salary of the position pay grade for the duration of such services. If the staff member is already compensated at a salary level equal to or above the minimum salary for the pay grade to which the specially assigned position has been classified an added salary allowance, if any, will be determined on the basis of the relationship between former and new duty assignments, prior training and experience directly related to position duties and like matters. If the position in which a P&S staff member serves with a special assignment is in a pay grade lower than that in which regular service occurs, the staff member will continue to be compensated at his/her regular salary during the period of such assignment.

### **11.6 Compensation with Position Reclassification**

If a position is, as a result of restructuring, reclassified to a higher pay grade, the "Compensation with Promotion" provision will be applied.

### **11.7 Compensation with Part-Time Service**

Pay for part-time service within a P&S position is provided proportionately equivalent to the salary for full-time service.

For a list of P&S compensation FAQ's please visit <https://uni.edu/hrs/ps/compensation-faq>.

### **11.8 Special Compensation**

The special compensation policy establishes guidelines for the uniform and consistent payment of special compensation to University of Northern Iowa (UNI) employees for work which exceeds their normal duties. An employee's base salary is full compensation for the performance of his/her regular job duties and responsibilities, including any duties which are not specified but are necessary to fulfill job functions. Special compensation will be allowable provided that the additional work does not interfere with the fulfillment of regular responsibilities, is conducted outside of or in addition to regularly scheduled working hours, is approved by the division vice president before any work begins, and is consistent with all policies of any program sponsor(s). For additional information on this policy, visit <http://www.uni.edu/policies/441>.

## 12.0 Classification Plan

The relative value of P&S positions other than contract appointments in intercollegiate athletics has been established and is maintained on the basis of the University's P&S Position Classification Plan. The classification plan was developed and continues to operate on the basis of position description materials, which identify duties and responsibilities applicable with existing P&S positions. Such descriptive materials are revised as required when positions are restructured with realignment of duties and are prepared when new positions come into existence.

Position description materials have permitted the University to complete and maintain an evaluation of P&S positions on the basis of a point-rating comparison. The point-rating comparison has resulted in each University P&S position being assigned to a numerical value according to the evaluation factors cited below. Evaluation factors have been defined and rating values established at specific degree levels within each factor. P&S positions with similar value rating have been grouped according to eight grades or levels of compensation. See salary matrix at <https://uni.edu/hrs/ps/pay-ranges>.

### 12.1 Evaluation Factors

1. Complexity of problems to be solved
2. Minimum skills and knowledge required
3. Interpersonal relationships ordinarily involved in day-to-day activities of the position
4. Organization levels at which interpersonal relationships ordinarily occur
5. Nature of responsibility exercised within the content of the overall operations of the University
6. Scope of functional responsibility exercised
7. Constraints on independent action within the position functions
8. Impact of independent actions on the attainment of goals for educational programs and/or institutional development
9. Work pace/pressure/stress
10. Risk of harm or discomfort

For more information on the P&S classification process, visit <https://uni.edu/hrs/ps/classification>.

## 13.0 Complaints and Grievances

A P&S staff member has the right to present a matter, concern or dissatisfaction relating to:

1. Interpretation, application, or alleged violation of written University or Board of Regents policies and/or procedures governing conditions of employment, work schedule, compensation (other than general salary schedule and general salary adjustments)
2. Administrative action involving employer discrimination based on age, national origin, physical disability, race, religion, sex, or other criteria prohibited by law.

(This process is not designed to resolve P&S position classification matters; such conditions are undertaken with Position Classification Review proceedings.)

Failing resolution by informal means, the formal grievance procedure may be initiated. Such procedure must be initiated no later than forty-five (45) working days following the date the grievant(s) first became aware of, or should have become aware of, the occurrence of such grievance; however, under no circumstances shall a grievance be considered timely after six (6) months from the date of occurrence.

## 14.0 Payroll

- **Payday:** The last University working day of the calendar month
- **Paycheck:** In general, the method of payment is direct deposit, which allows the employee's net pay to be deposited into their bank account on payday. Employees may view/print a copy of their pay slip and set up or make changes to their payroll direct deposit by logging into Employee Self Service through MyUNiverse. Additional information and instructions for [Direct Deposit](#) can be found by visiting or contacting the [Office of Business Operations](#).
- **Federal and State Income Tax Withholding:** You can change your federal W-4 Form through MyUNiverse. Although we cannot advise you on amounts to have withheld, Payroll can help you determine the withholding status, which will result in approximately the amount you want, withheld each month.
- **W2 Delivery Options:** As a cost saving measure and to provide a more timely and convenient delivery method, UNI offers employees the opportunity to select electronic delivery as the only method for receiving their W2 Form. To choose this option, you must give permission electronically. Your W2 Form will be available through UNI Employee Self Service in mid-January. If you choose to continue to receive a printed copy, it will be mailed to the address on file and will

arrive on or before Jan. 31. For additional information and instructions for giving permission for electronic delivery visit

## 15.0 Holidays & Leaves

### 15.1 Holiday Leave

The University provides for eleven (11) holidays with continued earnings during a calendar year period. Nine (9) holidays are scheduled as noted below while the two (2) remaining days are designated unscheduled (personal) holidays. Unscheduled (personal) holidays are accrued on a monthly basis and are added to the staff member's vacation account.

- New Year's Day
- Martin Luther King's Birthday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Friday following Thanksgiving Day
- Christmas Day
- One additional holiday per year designated by administration

The UNI Holiday Calendar can be found at <https://uni.edu/hrs/mybenefits/holidays>.

### 15.2 Sick Leave

P&S staff accrue sick leave at the rate of twelve (12) hours per month of service. The P&S staff member serving with a term, contract, provisional, probationary, or continuing service appointment of half-time or more for no less than an academic year will accrue that fractional portion of the full-time entitlement. Sick leave is cumulative and accrues to an unlimited maximum.

Sick leave benefits do not apply with periods of illnesses or injuries during vacations and paid holiday periods. However, if a staff member is hospitalized while on his/her vacation, the staff member may use sick leave for those days actually confined to a hospital.

### 15.3 Sick Leave Vacation Conversion Benefit

While there is no maximum limit on the amount of unused sick leave that may be accumulated, P&S staff members may elect, once thirty (30) days (240 hours) have accumulated to have with conversion one-half day (4 hours) added to their accrued vacation leave account in lieu of adding one and one half day (12 hours) to their accrued sick leave. The sick leave to vacation conversion form can be found at <http://www.uni.edu/uni-forms#S>.

All leave time chargeable to sick leave benefit causes the otherwise qualified P&S staff member to be ineligible to have the conversion option for the month in which such claim occurs. Instead, the employee will receive their sick leave accrual for that month.

### 15.4 Court and Jury Service Leave

When a staff member is required to appear as a witness or serve as a member of a jury in connection with public or private litigation, he/she will be entitled to regular compensation provided pay received for such service (other than travel or personal expense reimbursement) is surrendered to the University cashier. Such leave is to be noted on the monthly timecard.

### 15.5 Family Caregiving Leave, Funeral Leave, and Pallbearer Leave

A department head may grant a P&S staff member time off with pay:

- In the case of death in the staff member's immediate family, not to exceed three (3) days for each occurrence; for an individual engaged on an unpaid basis in the functions of a funeral, not to exceed one (1) day for each occurrence, and not to exceed two (2) days a year; in the event of an emergency for the temporary care of ill or injured members of the staff member's immediate family not to exceed an accumulation of five (5) days a year.
- All such time off is charged to the staff member's accumulative sick leave. Such time will not be granted in excess of accrued leave. For the purposes of this policy, immediate family is defined as, and limited to, the employee's spouse, children, grandchildren, foster children, stepchildren, legal wards, parents, grandparents, foster parents, stepparents, brothers, foster brothers, stepbrothers, sons-in-law, sisters, foster sisters, stepsisters, daughters-in-law, aunts, uncles, nieces, nephews, first cousins, corresponding relatives of the employee's spouse, and other persons who are members of the employee's household. Such leave is to be recorded on the monthly timecard.

### 15.6 Vacation Leave

Full time (12 month) P&S staff members with other than a temporary appointment accrue 22 days of vacation and two (2) personal holidays per year. Vacation usage is not permitted in excess of the staff member's current vacation balance. Vacation leave may be cumulative to twice the annual entitlement and is granted, upon the staff member's request, at the discretion and convenience of the employing department. The University reserves the right to require a P&S staff member to take vacation leave whenever in his/her judgment such action would be deemed by the administration to be in the best interests of the institution and the staff member. No staff member is required to reduce his/her accrued vacation leave to less than one week by such action.

For P&S staff members in nine (9), ten (10) or eleven (11) month appointments with a schedule of at least twenty hours per week, a prorated amount of the two (2) personal holidays per year is accrued per the chart below. A prorated amount of the twenty-two (22) days of vacation is credited in the salary compensation, but is taken during periods not scheduled to work per the [P&S Service Schedule](#).

P&S Appointment Category	Annual Personal Day Accrual	Monthly Personal Day Accrual	Vacation Days Credited In Compensation
11 month	1.74 days	1.16 hours for 12 months	19 days
10 month	1.54 days	1.23 hours for 10 months	17 days
9 month	1.4 days	1.12 hours for 10 months	15 days

### 15.7 Compensatory Time

In accordance with FLSA, non-exempt staff who work over 40 hours in a workweek (Sunday - Saturday) will receive overtime pay of one and one-half the staff member's hourly pay rate or compensatory time at a rate of one and one-half times each hour worked over 40. The decision whether to provide overtime pay or compensatory time rests with the university. All hours worked must be recorded in the workweek that the work was performed. Non-exempt staff cannot volunteer for extra work in their position without pay for that time. Instead, all hours must be recorded on their timecard. Informal "banking" of time to other workweeks is not allowed. Failure to accurately record time worked on the employee's timecard may result in corrective action or discipline, including up to termination of employment.

Exempt staff are not eligible for overtime pay or compensatory time.

For more information about compensatory time. Visit <https://uni.edu/policies/415>.

### 15.8 Military Leave

Employees who are members of the National Guard or a Reserve component of the United States Armed Forces will be continued in the employ of the University for such military service for as long as re-employment rights exist under the law and provided return to active University employment occurs within the time specified. There is no loss of regular earnings during the first thirty (30) days of a military leave of absence. For more information about military leave, visit <https://uni.edu/hrs/mybenefits/military-leave>.

### 15.9 Adoption Leave

A newly adoptive parent is entitled to five days paid leave chargeable to accrued sick leave.

### 15.10 Family Medical Leave Act

The University complies with the Family Medical Leave Act (FMLA). Please refer to <https://uni.edu/hrs/mybenefits/fmla> for more information or view the full FMLA policy at <http://www.uni.edu/policies/449>
