

## Retirement Plan Comparison

Eligible faculty and staff may be eligible to participate in either the Iowa Public Employees Retirement System (IPERS) or the University Sponsored Retirement Plan through Teachers Insurance and Annuity Association-College Retirement Equities Fund (TIAA). Certain eligible employees will be able to elect between the two plans, this decision is irrevocable during active employment at the University. To see which plan(s) you are eligible for please visit <https://hrs.uni.edu/mybenefits>.

Here is a basic comparison of the two retirement plans.

Plan	TIAA (403(b)) <a href="https://hrs.uni.edu/mybenefits/tiaa">https://hrs.uni.edu/mybenefits/tiaa</a>	IPERS (Defined Benefit) <a href="https://hrs.uni.edu/mybenefits/ipers">https://hrs.uni.edu/mybenefits/ipers</a>														
Plan Type	<b>Defined Contribution Plan:</b> Individually owned 403(b) retirement accounts issued by TIAA. Federal and State income tax on contributions are deferred until the benefits are received. Retirement income is contingent upon your individual investment returns.	<b>Defined Benefit Plan:</b> Federal and State income taxes on contributions are deferred until the benefits are received. Retirement income is contingent on a formula based on your years of service and salary earned.														
Guaranteed Benefit	No. Benefit fluctuates with market performance.	Yes. Monthly Benefit is guaranteed for life.

<b>Terminating before Retirement (Under age 55)</b>	You own all contributions in your account and you can leave your money with TIAA as long as you'd like. You can receive withdrawals from your account or roll it into another qualified plan. If you withdraw funds before age 59 ½, they may be subject to an additional 10% early withdrawal penalty.	You can leave your money with IPERS until you can receive retirement benefits, receive a refund of your contribution or roll it into another qualified plan. If you are vested, you will receive a portion of the university contribution at a prorated amount based on years of service.
<b>Retirement (Over age 55)</b>	If you retire after reaching 55, the 10% tax penalty will not apply. There are multiple withdrawal options including annuities. For more details, see the TIAA website. Visit <a href="http://www.tiaa.org">www.tiaa.org</a> for more information	You will receive all of your contributions, plus a portion of the university contribution based on a formula that looks at years of service, age, and salary. There are multiple withdrawal options. Visit <a href="http://www.ipers.org">www.ipers.org</a> for more information

<b>Death Benefits</b>	Yes	Yes
<b>Disability Benefits</b>	Yes, TIAA provides disability benefits depending on certain qualifications.	Yes, IPERS provides disability benefits depending on certain qualifications.
<b>Annual Compensation Limit</b>	\$373,333 (staff hired before January 1, 1996)  \$330,000 (staff hired after January 1, 1996)	\$330,000

### Glossary

**Annual Compensation Limit:** maximum salary that contributions will be deducted from. Any amount earned over this limit is not subject to contributions from the Employee or the University.

**Defined Contribution Plan:** Retirement income is contingent upon the amount of employee and University contributions and individual investment returns.

**Defined Benefit Plan:** Retirement monthly income is guaranteed based on a formula.

**Guaranteed Benefit:** You are guaranteed to receive a set dollar amount each month as retirement income throughout your life.

**Portability:** Ability to take the retirement plan with you when you leave employment.

**Vesting:** Length of time you would need to be employed in order to receive all or a portion of the University's contribution.
