

BOARD OF REGENTS STATE OF IOWA

REGENT MERIT SYSTEM

Class Title: Patient Account Representative

Class Code: 1401

Pay Grade: 509

GENERAL CLASS DESCRIPTION:

Under general supervision, performs and coordinates specialized work requiring a knowledge of specialized subject matter including policies and procedures of multiple third party payors including third party provider profile reimbursements, appropriate use of CPT IV codings and knowledge of federal regulations regarding covered and non-covered codes. Needs working knowledge of State of Iowa Indigent Care Program, Medically Needy and other assistance programs as well as research grants and Clinical Research programs providing reimbursement for Hospital and/or Medical Service physician fees. Maintains records in patient accounting files requiring manual logs and on-line functions for submission of third party payors and recording receivables; initiates transfers, cancellations, audit adjusts and verification of charges to patient accounts; and reviews all accounts for self pay billing and performs appropriate on-line function to release or hold patient statements. In addition, all information is provided to patients and payors as needed. Duties may involve the use of personal computers, computer terminals, and a variety of software and/or conventional office equipment.

CHARACTERISTIC DUTIES AND RESPONSIBILITIES:

1. Prepares, reviews and analyzes billing control lists, hard copy billing documents for hospital inpatient and outpatient charges as well as all professional fees for all procedures performed, and on-line patient account records which requires independent informational search and a knowledge of the policies and procedures of both assigned and related work areas as well as policies and procedures of third party payors.
2. Advises third party payors, patients and others concerning policies and regulations in the assigned work areas.
3. Initiates standardized forms and on-line functions related to the area of assignment.
4. Composes correspondence requiring judgment in the application of policies and procedures in both the assigned and related work areas.
5. Reviews and investigates verbal and written inquiries regarding policies and procedures of submissions to third party payors and self pay billing requiring knowledge of assigned and related work areas. Reviews medical record

The tasks listed under the heading of Characteristic Duties and Responsibilities are examples of the variety and general nature of duties performed by employees in positions allocated in the class. The list is descriptive only and should be used for no other purpose. It is not intended that any position include every duty listed nor is it intended that related duties cannot be required.
