UNI’s health plans are self-insured and are administered by Wellmark Blue Cross Blue Shield. This means UNI pays all health expenses out of our own ‘pool’ or ‘reserve’ account. Self-insuring requires accurate cost projections because we are required to set aside sufficient funds to cover future costs. In order to be successful in addressing the continued rise in healthcare costs we need your involvement to stabilize future cost increases. For more information, visit www.uni.edu/hrs/mybenefits/health.

1 Wellmark actuaries perform a claims analysis by looking at actual health claims, conditions, and trends. HRS and Budget review the claims projections and analyze the health plan reserve to estimate funds needed to cover future costs. A proposal is submitted for approval to the Vice President of Administration and Financial Services.

For Single coverage, the full premium for the UNI PPO (Alliance Select) is applied to the UNI Blue Advantage (HMO) Plan.
For Family coverage, 80% of the full premium for the UNI PPO (Alliance Select) is applied to UNI Blue Advantage (HMO) Plan.

Premium Only Plan ▼

Coverage Start Date: The first of the next month following the hire date, providing you enroll within 30 days of your date of employment.

Coverage End Date: Coverage will end the last day of the month in which employment ends.

Allows employees to elect to pay family health and/or dental insurance premiums with pre-tax dollars. Premium is deducted before federal and state income tax, FICA and Medicare taxes are calculated.

Participation in Premium Only Plan limits the changes that can be made to health and dental plans during the plan year and may slightly reduce Social Security benefits but the benefits of participation generally outweigh the disadvantages. For more information, visit www.uni.edu/hrs/mybenefits/premium-plan.
Vision Options ▼

Coverage Start Date:
The first of the next month following the hire date, providing you enroll within 30 days of your date of employment.  

Coverage End Date:
Coverage will end the last day of the month in which employment ends.

Avesis
Vision insurance is optional for employees who work 20 hours or more. The plan is administered by Avesis. Employees may choose between two optional vision plans. The 'Vision Exam & Materials' plan covers one routine eye exam per year after paying a $10 copayment; employees and covered dependents are also eligible to receive glasses or contact lenses at a discounted rate. The 'Materials Only' plan covers glasses or contact lenses at a discounted rate for employees and covered dependents. Coverage for Vision insurance is effective the first of the month following the date of employment if elected. Employees pay the full cost of the premium through payroll deduction. For more information, visit www.uni.edu/hrs/mybenefits/vision.

Life Insurance ▼

Coverage Start Date:
First day of employment.  

Coverage End Date:
Coverage will end the last day of the month in which employment ends.

UNI pays the full premium. Coverage is one and one-half (1.5) times the employee’s annual budgeted salary up to a maximum benefit of $250,000. Participation in the life insurance program is automatic for employees with a permanent appointment of half time or more for a minimum of nine months. Coverage is effective on the first day of active employment. For more information, visit www.uni.edu/hrs/mybenefits/life-ins.

Voluntary Term Life Insurance and Accidental Death & Dismemberment (AD&D) ▼

Coverage Start Date:
The first of the next month following the hire date, providing you enroll within 30 days of your date of employment.  

Coverage End Date:
Coverage will end the last day of the month in which employment ends.

Staff may elect to purchase additional term life insurance and AD&D coverage through Principal Life Insurance Company. Employees pay the full cost of the premium with after-tax dollars through payroll deduction. Guaranteed coverage is available if purchased within 30 days of employment. Employees can elect up to $300,000 of coverage for themselves. Coverage up to $50,000 is available for spouses and coverage for eligible children 14 days to age 26 is $10,000 per child. Spouse and dependent coverage cannot exceed 100% of employee’s coverage. The benefit reduces 35% at age 70 and an additional 15% reduction at age 75. Visit www.uni.edu/hrs/mybenefits/voluntary-life for more information. Coverage for Voluntary Term Life Insurance and AD&D is effective the first of the month following the date of employment if elected.

The State of Iowa requires all state employees to participate in an approved retirement program. The only exceptions are foreign nationals who are in the United States as exchange scholars, trainees, professors, teachers, research assistants and specialists. If an employee does not choose a retirement program, he or she will default to IPERS participation. Participation election, either by election or by default, is irrevocable and cannot be changed at any time during an employee’s employment with the University of Northern Iowa. For more information, visit [www.uni.edu/hrs/mybenefits/retiring](http://www.uni.edu/hrs/mybenefits/retiring).

### Iowa Public Employees Retirement System (IPERS)

- If a new employee has retired and previously participated in IPERS at UNI or another state agency, they cannot receive IPERS distributions if they earn an annual salary of $30,000 or more at any state agency.

A defined benefit program administered by the State of Iowa. UNI contributes 8.93% of paid salary. Employee contributes 5.95% of paid salary.

### Teachers Insurance and Annuity Association/College Retirement Equities Fund (TIAA-CREF)

- If a new employee has retired from UNI and previously participated in TIAA-CREF, they cannot return in a TIAA-CREF eligible position and receive distributions. Therefore, even if the employee is now participating in IPERS, they cannot hold a non-temporary appointment of half-time or greater, and earn an annual salary of $7,800 or more at the University and receive TIAA-CREF distributions.

A defined contribution program administered by TIAA-CREF. Employee may allocate monthly contributions between several accounts. UNI contributes 6.66% of the first $4,800 of earnings; 10% of all earnings over $4,800. Employee contributes 3.33% of the first $4,800 of earnings; 5% of all earnings over $4,800. Contributions increase to 10% for UNI and 5% for employees, following five years of continuous participation.

### Tax-Deferred Annuity Plan

Employees may set aside additional contributions to a TIAA-CREF Supplemental Retirement Annuity or to another approved vendor subject to IRS guidelines for maximum exclusion amounts. UNI does not contribute matching funds. For more information, visit [www.uni.edu/hrs/mybenefits/gsra](http://www.uni.edu/hrs/mybenefits/gsra).

### Long-Term Disability Insurance

Provides salary replacement if an employee becomes totally disabled, and unable to work. If approved for LTD, benefits would be 66 2/3% of salary up to a maximum monthly benefit of $6,666. Participation in the long term disability program is automatic for employees with a permanent appointment of half time or more for a minimum of nine months. Coverage begins on the first day of active employment. For more information, visit [www.uni.edu/hrs/mybenefits/ltd](http://www.uni.edu/hrs/mybenefits/ltd).

### Retirement Protection Insurance Plan

This plan continues TIAA-CREF contributions for employee’s who qualify for disability benefits and who are enrolled in TIAA-CREF. Coverage is automatic and the premium cost is paid in full by UNI.

Faculty may elect to make pre-tax contributions to a spending account to be reimbursed for dependent care expenses and/or health, dental, and vision expenses. To be eligible for reimbursement, expenses must be incurred by December 31 for the Dependent Care Account or by March 15 for the Health Care Account. Reimbursement requests must be received by March 31 following the end of the plan year. Funds not used will be forfeited. Contribution elections may not be changed during the calendar year unless there is an approved family status change. New employees electing to participate in a spending account enroll from date of eligibility until December 31 only for the initial year of participation.

## Dependent Care Account

This account is used to reimburse dependent care expenses incurred by employees. The maximum contribution is $5,000 per year per family or the salary of the lower paid spouse – whichever is lower. Spouses who are full-time students have an assumed income of $200 per month. The minimum contribution is $20 per month. Eligible expenses are limited to those allowed by the IRS for the Dependent Care Tax Credit. Every dollar contributed to a Dependent Care Account reduces the allowable tax credit (on the tax return) by a dollar. Generally if family income is $30,000 or more, the Dependent Care Account is more advantageous than the tax credit. Expenses are reimbursed as funds accrue in the account. For more information, visit [www.uni.edu/hr/hrs/mybenefits/fsa-dependent](http://www.uni.edu/hr/hrs/mybenefits/fsa-dependent).

## Health Care Account

This account is used to reimburse health, dental, and vision expenses that are not covered by insurance plans. Expenses are limited to those allowed as deductions by the IRS. Some examples include: deductibles, copayments, co-insurance amounts, and expenses not covered such as eyeglasses and some over-the-counter drugs. The IRS publishes a separate listing of deductible expenses. The maximum contribution is $2,550 per year. The minimum contribution is $20 per month. Expenses are reimbursed when they are incurred up to the annual contribution level. For more information, visit [www.uni.edu/hr/hrs/mybenefits/fsa-health](http://www.uni.edu/hr/hrs/mybenefits/fsa-health).

The mission of UNI Employee Well-being is to enhance the well-being of UNI faculty and staff through holistic programs and initiatives that support a healthy lifestyle and create a healthy environment in which to live and work. Employees are offered free flu vaccinations, biometric screenings, and smoking cessation services. The program also includes an annual Benefits & Well-being fair, on-campus health and well-being challenges and educational learning opportunities. Employees have the option to use the Wellness & Recreation Center by paying an annual user fee. Employees also have access to fitness and leisure classes, personal trainers, adult and youth swim lessons, CPR and first aid classes, and over-the-counter products through the Student Health Clinic. For more information, visit [www.uni.edu/hrs/wellbeing](http://www.uni.edu/hrs/wellbeing).
