The administration of the Dental Plan is under the supervision of the Plan Administrator, University of Northern Iowa. The Benefits Administrator of the University of Northern Iowa is the person who acts on behalf of the Plan Administrator. The principal duty of the Plan Administrator is to see that the terms of the Dental Plan are carried out in accordance with its terms, for the exclusive benefit of persons entitled to participate in the Plan. The Company bears all costs of administering the Plan and for paying all claims.

Under a contract with Delta Dental, the Plan Administrator has delegated its authority to Delta Dental to act as the Claims Administrator for the Dental Plan and to determine the initial eligibility for and the amount of any benefits payable under the Dental Plan and for prescribing the procedures to be followed and the forms to be used by you pursuant to the Dental Plan. We have further delegated to Delta Dental, as the Claims Administrator, the authority to require you to furnish it with such information as it determines is necessary for the proper administration of the Dental Plan. If you have general questions regarding the Dental Plan, please contact the Plan Administrator. However, if you have specific questions concerning eligibility for and/or the amount of any benefits payable under the Dental Plan, please contact Delta Dental.
IMPORTANT INFORMATION

Your Delta Dental PPO Plus Premier™ coverage is administered by Delta Dental of Iowa. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of the Delta Dental PPO Program is their panel of Delta Dental PPO Dentists hereafter referred to as “PPO Panel Dentists”. You may seek care from almost any dentist you wish. However, there are usually advantages when you receive services from PPO Panel Dentists or Participating Delta Dental Dentists. “Participating Delta Dental Dentists,” in this Summary Plan Description, are dentists who participate with Delta Dental of Iowa’s Premier Program or their local Delta Dental Member Company’s Premier Program, but do not participate as a PPO Panel Dentist.

Your payment responsibilities are also outlined in this section of your Summary Plan Description. How much you pay for Covered Services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a PPO Panel Dentist or a Participating Delta Dental Dentist.

WHAT YOU SHOULD KNOW ABOUT PPO PANEL DENTISTS

Delta Dental has contracting relationships with PPO Panel Dentists throughout the state. Delta Dental contracts with PPO Panel Dentists include an applicable fee schedule or the Maximum Plan Allowance. See UNDERSTANDING PAYMENT VOCABULARY later in this section. This applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from PPO Panel Dentists who participate with Delta Dental of Iowa or any other Delta Dental Member Company, all of the following statements are true:

- PPO Panel Dentists agree to accept their local Delta Dental Member Company’s PPO Schedule, which may result in savings for Covered Services.
- Your deductible or coinsurance responsibility may be less for Covered Services you receive from a PPO Panel Dentist than it would be from a Participating Delta Dental Dentist or a nonparticipating dentist.
- PPO Panel Dentists agree to file claims for you.
- Delta Dental settles claims directly with PPO Panel Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS later in this section.
- PPO Panel Dentists agree to handle the notification program for you. See THE NOTIFICATION PROGRAM section.
PPO Panel Dentists agree that he or she will only be paid the lesser of (i) his or her Billed Charge, or (ii) the applicable fee schedule or Delta Dental’s Maximum Plan Allowance for Covered Services. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

WHAT YOU SHOULD KNOW ABOUT PARTICIPATING DELTA DENTAL DENTISTS

We have contracting relationships with Participating Delta Dental Dentists throughout the state. Our contracts with Participating Delta Dental Dentists include payment arrangements based on Delta Dental’s applicable fee schedule or the Maximum Plan Allowance. See UNDERSTANDING PAYMENT VOCABULARY later in this section. The applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from Participating Delta Dental Dentists who participate with Delta Dental of Iowa or a Delta Dental Member Company, all of the following statements are true:

- Participating Delta Dental Dentists agree to accept their local Delta Dental Member Company’s payment arrangement, which may result in savings.
- Your deductible or coinsurance responsibility may be more for Covered Services you receive from a Participating Delta Dental Dentist who is not a PPO Panel Dentist.
- Participating Delta Dental Dentists agree to file claims for you.
- Delta Dental settles claims directly with Participating Delta Dental Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS later in this section.
- Participating Delta Dental Dentists agree to handle the notification program for you. See THE NOTIFICATION PROGRAM section.
- Participating Delta Dental Dentists agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental’s Maximum Plan Allowance for Covered Services. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT Participate WITH DELTA DENTAL

When you receive services from nonparticipating (non-par) dentists, you will not receive any of the advantages that Delta Dental contracts with PPO Panel Dentists or Participating Delta Dental Dentists offer. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:
Delta Dental does not have contracting relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental Member Company’s PPO payment arrangement or any other payment arrangement. This means you are responsible for any difference between your nonparticipating dentist’s billed charge and the Delta Dental nonparticipating dentist fee schedule. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

Nonparticipating dentists are not responsible for filing your claims.

Delta Dental settles claims with you, not nonparticipating dentists. However, for Iowa nonparticipating dentists, the payment will be mailed to you but the check may be payable to the nonparticipating dentist. You are responsible for paying your dentist in full, including any Deductible, Member Coinsurance and non-approved charges you may owe. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

Nonparticipating dentists do not agree to handle the notification program for you. See THE NOTIFICATION PROGRAM section.

Nonparticipating dentists may charge for “infection control,” which includes the costs for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for “infection control.” (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, PPO Panel Dentists and Participating Delta Dental Dentists incorporate these costs into their normal fees and do not charge an additional fee for “infection control.”)

Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental’s PPO Schedule for Covered Services, as do PPO Panel Dentists. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) Delta Dental’s Maximum Plan Allowance for Covered Services, as do Participating Delta Dental Dentists. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

QUESTIONs DELTA DENTAL ASKS WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as BENEFITS, you should note that before you are eligible to receive benefits, Delta Dental first answers all of the following questions:
Is the Procedure Dentally Necessary?
All of the following must be true for a procedure to be considered dentally necessary:
- The diagnosis is proper; and
- The treatment is necessary to preserve or restore the basic form and function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

Is the Procedure Dentally Appropriate?
All of the following must be true for a procedure to be considered dentally appropriate:
- The treatment is the most appropriate procedure for your individual circumstances; and
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by us; and
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive services which are more costly than those equally effective for the treatment or maintenance of your teeth and supporting structures, you are responsible for paying the difference.**

Is the Procedure Subject to Contract Limitations?
Contract limitations refer to amounts that are your responsibility based on your contractual obligations with us. Examples of contract limitations include all of the following:
- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Dental Plan. See SERVICES NOT COVERED.
- Amounts for procedures that have limitations associated with them. For example, teeth cleaning is covered twice per benefit period. More frequent teeth cleaning is not a benefit even if your dentist verifies that it is dentally necessary and dentally appropriate. See BENEFITS for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract maximums. See the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.
- Any difference between the dentist’s Billed Charge and the applicable fee schedule or the Maximum Plan Allowance. **Please note:** This only applies if you receive services from a nonparticipating dentist.
- Deductible(s) and Member Coinsurance.
DELTA DENTAL’S PAYMENT POLICY
Delta Dental’s policy is to send payment for treatment after it is completed—not before.
For example, Delta Dental will send payment for:
■ A crown when it is seated
■ A fixed or removable prosthesis when it is inserted.
■ A root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY
Anniversary Date
The Anniversary Date is the renewal date of the contract between your employer or group sponsor and Delta Dental of Iowa.

Benefit Period
A benefit period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. This is true for as long as you have coverage. The benefit period is important for calculating your deductible and benefit period maximum, if applicable.

Billed Charge
The billed charge is the amount a dentist bills for a specific dental procedure.

Contract Period Effective Date
Contract Period Effective Date is the first day the dental contract was in effect between your employer or group sponsor and Delta Dental of Iowa.

Covered Services
Covered Services means dental services allowed as a result of being insured by, or included under a dental plan administered by, Delta Dental (or by a Delta Dental Member Company).

Delta Dental Member Company
Delta Dental Member Company means a company that is an active member or affiliate member of Delta Dental Plans Association, as defined in the Delta Dental Plans Associations Bylaws.
Eligible Covered Person(s)

Covered Person means any individual eligible for dental benefits under a dental program that is insured or administered by Delta Dental (or by a Delta Dental Member Company). An Eligible Covered Person is an employee who has met the employer’s eligibility requirements and the employee’s eligible Spouse and eligible Child(ren).

Maximum Plan Allowance

Maximum Plan Allowance is the amount which Delta Dental establishes as its maximum allowable fee for certain Covered Services provided by dentists who participate in the Delta Dental Premier Program. For services billed by dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state’s Delta Dental Member Company.

The Maximum Plan Allowance is established by Delta Dental for dental services contained in the “Current Dental Terminology” published by the American Dental Association from time to time. It is developed from various sources that may include, but are not limited to, contracts with dentists, the simplicity or complexity of the procedure, the Billed Charge for the same procedure by dentists in the same geographic area and with similar training and skills, and a leading economic indicator, such as the Consumer Price Index.

PPO Schedule

The PPO Schedule is a reduced fee schedule for certain Covered Services. Some Participating Delta Dental Dentists, who are other than general practice dentists, will be considered PPO Panel Dentists except that their payment will be based on the lesser of their Billed Charge or the Maximum Plan Allowance rather than on the PPO Schedule. The Participating Delta Dental Dentists who have agreed to be PPO Panel Dentists will be listed in the Delta Dental of Iowa PPO Panel Dentist Directory.

UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS

Member Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain Covered Services. These amounts are shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description.

Member Coinsurance payments begin once you meet any applicable Deductible amounts. Member Coinsurance is calculated off the applicable fee schedule or the Maximum Plan Allowance, as the case may be. In general, the percentage of coinsurance you pay depends on the benefit category of the service you receive and participation status of your dentist.

**Enhanced Benefits Program (EBP)**
The Enhanced Benefits Program offers additional oral health services to Eligible Covered Persons with qualifying dental or medical conditions.

Qualifying participants may be eligible for:

This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Summary Plan Description. **Please Note:** The Benefit Period Maximum is a combined maximum for PPO, Premier, and Non-Participating Providers.

Under this Dental Plan you have two (2) separate Benefit Period Maximums:
- A $500 Benefit Period Maximum per Covered Person for Covered Services received from BENEFIT CATEGORY: STRAIGHTER TEETH.
■ A $600 Benefit Period Maximum per Covered Person for Covered Services received from all other Benefit Categories.

**Annual Maximum Carryover - To Go SM**

An eligible Covered Person may carry over any qualified, unused portion of their Annual Maximum benefit from the prior Benefit Period, subject to the following guidelines:

■ An eligible Covered Person must have been covered under the plan for the full benefit immediately preceding the current Benefit Period, with coverage for major services.

■ An eligible Covered Person must have submitted at least one claim during the Benefit Period that would apply to his/her Annual Maximum where the allowed dollar amounts are greater than zero dollars.

■ The carried over amount may not exceed the amount of the regular Annual Maximum, and the total combined Annual Maximum may not exceed twice the regular Annual Maximum.

Services received from BENEFIT CATEGORY: STRAIGHTER TEETH are excluded from your benefit period maximum.

*Please Note:* When an Eligible Covered Person changes from the Plan Holder to a spouse or dependent child or vice versa the Deductible, Benefit Period Maximum and Annual Maximum Carryover TOGO SM dollars all start over.

PERIODONTAL SERVICES

Please note: Procedures in this category should receive Delta Dental’s review before they are performed. See THE NOTIFICATION PROGRAM section.

Full Mouth Debridement
Limitation: Full mouth debridement is a benefit once in a lifetime after 36 months have elapsed since last dental cleaning (prophylaxis).

Conservative Periodontal Procedures (Root Planing and Scaling)

Note: A quadrant is one of the four equal sections of the mouth into which the jaws can be divided and represents four or more contiguous teeth or bounded teeth spaces.
Periodontal Maintenance Therapy
Includes various maintenance services such as pocket depth measurements, dental cleaning (oral prophylaxis), removal of stain, and root planing and scaling. 

Limitation: This procedure may follow conservative or complex periodontal therapy. When this procedure immediately follows complex or conservative periodontal therapy, benefits are available up to four times in the first benefit period and twice per benefit period thereafter. This procedure replaces the dental cleaning benefit (prophylaxis) described under Check-Ups and Teeth Cleaning earlier in this section. 

Please Note: Delta Dental of Iowa’s Enhanced Benefits Program (EBP) offers up to 2 additional dental cleaning benefits for Covered Persons with designated dental or medical conditions. Total cleanings for qualifying participants in EBP are limited to no more than 4 per benefit period. For information regarding the dental or medical conditions that may qualify you for additional cleanings, visit Delta Dental’s website, or contact Delta Dental. For your convenience, Delta Dental has listed their toll-free number on the back cover of this Summary Plan Description. If you qualify for the additional cleaning(s), it is your responsibility to register at www.deltadentalia.com or call Delta Dental of Iowa.

HIGH COST RESTORATIONS
CAST RESTORATIONS

Procedures in this category are available once every 5 consecutive years beginning from the date the cast restoration is cemented in place.

Cast Restorations for Complicated Tooth Decay or Fracture
Restoring a tooth with a cast filling (including local anesthesia) when the tooth cannot be restored with a silver (amalgam) or tooth-colored (composite) filling.

Crowns
Restoring form and function by covering and replacing the visible part of the tooth with a precious metal, porcelain-fused-to-metal, or porcelain crown. Crowns placed for the primary purpose of periodontal splinting, cosmetics, altering vertical dimension, restoring your bite (occlusion), or restoring a tooth due to attrition, abrasion, erosion, and abfraction are not a benefit.

Limitation: Crowns are a benefit only if the tooth cannot be repaired with a routine filling.
Inlays
Restoring a tooth with a cast metallic or porcelain filling.

*Limitation:* **Inlay benefits are limited to the amount paid for a silver (amalgam) filling.** See *Restoration of Decayed or Fractured Teeth*, described under Cavity Repair and Tooth Extractions earlier in this section.

Onlays
Replacing one or more missing or damaged biting cusps of a tooth with a cast restoration.

Posts and Cores
Preparing a tooth for a cast restoration after a root canal when there is insufficient strength and retention.

Replacing missing permanent teeth with a dental prosthesis that is removable. Denture repair and relining are also covered.

*Limitation:* Relining is available only if performed one year or more after the initial placement of the denture and then once every 2 years thereafter.
**Denture Adjustments**

*Limitation:* Denture adjustments will be limited to two per denture per benefit period after 6 months have elapsed since initial placement.

**Tissue Conditioning**

*Limitation:* Tissue conditioning will be limited to two per denture every 36 consecutive months.

**STRAIGHTER TEETH**

**ORTHODONTICS**

Services for proper alignment of teeth.

*Limitation:* Orthodontic services for proper alignment of teeth are a benefit only for eligible beneficiaries who are children under age 19.

When an orthodontic treatment plan is established, Delta Dental of Iowa will calculate an initial payment at the time the banding takes place. The balance of the allowed fee will then be divided into payments over the course of treatment, providing dental benefits still exist.

If orthodontic treatment is stopped for any reason before it is completed, payment will be provided only for Covered Services and supplies actually received.

No benefits are available for charges made after treatment stops or after the termination of dental benefits.

Payment for treatment in progress extends only to the months of treatment received while covered under the plan. Delta Dental of Iowa will determine the months eligible for dental benefits.

**Diagnostic Cast**

*Limitation:* Diagnostic cast is a benefit only in conjunction with orthodontic treatment.

THE NOTIFICATION PROGRAM

This section explains the notification program you or your dentist should follow before you receive certain benefits available under this Dental Plan. This program is the checks and balances of your dental coverage. It helps:

■ Determine that services are dentally necessary and dentally appropriate;
■ Confirm the benefits of your Dental Plan.

THE APPROVAL

The purpose of the notification program is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment. Delta Dental’s review is based on the treatment plan submitted by your dentist.

You should notify us before you receive the following benefits:

■ Complex Periodontal Surgery
■ High Cost Restorations including Crowns, Onlays, and Bridges

You should also notify us before you receive treatment from any benefit category that will exceed $200.

THE TREATMENT PLAN

A treatment plan describes the treatment your dentist has recommended for you and helps Delta Dental determine if the procedure is a benefit of your Dental Plan as well as dentally necessary and dentally appropriate.

When to Submit a Treatment Plan

You will need to file a treatment plan only if your dentist is nonparticipating — PPO Panel Dentists and Participating Delta Dental Dentists agree to file for you.

A complete treatment plan includes the plan of treatment and x-rays. Please send the x-rays within 15 working days of receipt of the proposed treatment plan.
Where to Send a Treatment Plan
Submit the proposed treatment plan, along with x-rays and supporting information to:

Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000

THE TREATMENT PLAN REVIEW
Once Delta Dental receives the treatment plan and proper documentation, Delta Dental will let you and your dentist know if the treatment plan is approved within 15 working days. Delta Dental will take one of the following three actions when they receive your treatment plan:

- **Accept** it as submitted.
- **Recommend an alternative benefit.** If Delta Dental asks you to receive an independent diagnosis from a dentist of Delta Dental’s choice, Delta Dental will pay for the exam.
- **Deny the treatment plan** because:
  - the procedure is not a benefit of this Dental Plan;
  - you did not receive an independent exam after Delta Dental asked you to; or
  - the procedure is not dentally necessary and dentally appropriate.

Reconsideration Request of Treatment Plan
If Delta Dental denies a treatment plan, you can resubmit it with additional documentation and ask Delta Dental, in writing, to reconsider. If necessary, Delta Dental will ask you to receive an independent diagnosis from an independent dentist of Delta Dental’s choice—Delta Dental will pay for the exam.

*Please note:* Although Delta Dental may approve a treatment plan, neither Delta Dental nor this Dental Plan are necessarily liable for the actual treatment you receive from your dentist.
Once you receive dental services, Delta Dental needs to receive a claim to determine the amount of your benefits. The claim lets Delta Dental know the services you received, when you received them, and from which dentist. You will need to file a claim only when you use a nonparticipating dentist who does not agree to file a claim for you—PPO Panel Dentists and Participating Delta Dental Dentists file for you.

WHEN TO FILE YOUR CLAIM
After you receive services, you should file a claim only if your dentist has not filed one for you. Delta Dental may deny payment of a claim submitted more than 365 days after the date services were rendered.

You should file a claim only after the procedure is completely finished. Do not file for payment before a procedure is completed.

If you need a claim form or have any questions after reading this section, please call Delta Dental or visit their website www.deltadentalia.com. For your convenience, Delta Dental has listed their toll-free number on the back cover of this Summary Plan Description. If you must file your own claim, send it to the following address:

Delta Dental of Iowa  
P.O. Box 9000  
Johnston, IA 50131-9000

FILING WHEN YOU HAVE OTHER COVERAGE  
COORDINATION OF BENEFITS
You may have other insurance or coverage that provides the same or similar benefit(s) as this Dental Plan. If so, Delta Dental will work with your other insurance company or carrier or health plan. The benefits payable under this Dental Plan when combined with the benefits paid under your other coverage will not be more than 100 percent of either Delta Dental’s payment arrangement amount or the other carrier’s or health plan’s payment arrangement amount.
**What You Should Do**

When you receive services, you need to let Delta Dental know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help Delta Dental coordinate your benefits, you should:

- Inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to Delta Dental when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. Delta Dental will contact you if any additional information is needed.

You must cooperate with Delta Dental and provide requested information about your other coverage. If you do not give Delta Dental necessary information, your claims will be denied.

**What Delta Dental Will Do**

There are certain rules Delta Dental follows to help determine which coverage pays first when you have other insurance or coverage that provides the same or similar benefits as this Dental Plan. Here are some of the rules:

- The coverage **without coordination of benefits** pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your **auto coverage** will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as **an employee or contract holder** participant pays before the coverage which you have as a plan beneficiary spouse or child.
- The coverage you have as **the result of your active employment** pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the **earliest continuous effective date** pays first when none of the above rules apply.

If none of the guidelines just mentioned apply to your situation, Delta Dental will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine payment to you or to your PPO Panel Dentist or Participating Delta Dental Dentist (as the case may be).
What You Should Know About Beneficiaries Who Are Children

To coordinate benefits for a child the following rules apply. For a child who is:

- **Covered by both parents** who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.

- **Covered by separated or divorced parents** and a court decree says which parent has financial or dental insurance responsibility, that parent’s coverage pays first.

- **Covered by separated or divorced parents** and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this child is as follows: custodial parent, spouse of custodial parent, other parent, and spouse of other parent.

If none of these rules apply, the parent’s coverage with the earliest continuous effective date pays first.

**DENIED CLAIMS AND APPEALS PROCEDURES**

**CLAIM DENIALS**

Pursuant to our contract with Delta Dental, we have delegated the responsibility for evaluating all claims for reimbursement to Delta Dental as the Claims Administrator. Delta Dental will decide your claim within a reasonable time not longer than 30 days after it is received. This time period may be extended, however, where a claim is incomplete or there are other circumstances beyond Delta Dental’s control. In such a case, Delta Dental will provide you with written notice of any required extension in the time for them to respond, including the reasons for such an extension and information on the date on which a decision is expected to be made. If an extension is necessary because a claim is incomplete, the written notice to you will also request that you provide Delta Dental with certain additional information within 45 days. The time period for Delta Dental to respond to your claim can be extended for an additional 15 days from the date on which Delta Dental receives the requested additional information.

Delta Dental may obtain the advice of independent dentists or require such other evidence as it deems necessary to decide your claim.
If Delta Dental denies your claim, in whole or in part, you will be furnished with a written notice setting forth the following information:

1. the specific reasons for the denial;
2. reference to the specific provisions of the Dental Plan on which the denial is based;
3. a description of any additional material or information necessary for you to complete your claim and an explanation of why such material or information is necessary; and
4. appropriate information as to the steps to be taken if you wish to appeal the decision of Delta Dental, including your right to submit written comments and have them considered, your right to review (on request and at no charge) relevant documents and other information, and your right to file suit under ERISA with respect to any adverse determination after appeal of your claim.

APPEALING A DENIED CLAIM OR ADVERSE BENEFIT DETERMINATION

Your Initial Request For A Review
If Delta Dental of Iowa does not pay all or part of your claim and you think the service should be covered, you or your representative can ask for a full and fair review of that claim. To file for a review, submit a request within 180 days of receiving the notice from Delta Dental of Iowa, including the reason why you disagree with our claim decision, documents, records and any other information related to the claim. Include your name, patient’s name and your identification number on all documents.

Delta Dental’s Reply
Within 30 days of receiving your request, Delta Dental of Iowa will send you our written decision and indicate any action we have taken. However, when special circumstances arise, Delta Dental of Iowa may require 60 days. Delta Dental of Iowa will notify you in the event we require additional days. After that time, we will make the final decision on the claim based on the information we have in your file.

Reviewing Records
Upon your request, Delta Dental of Iowa will provide you free of charge, access to and copies of all documents, records and other information relevant to your claim for benefits. You can review records that deal with your request from 8 a.m. to 4:30 p.m., Central Standard Time, Monday through Friday, at Delta Dental of Iowa’s Johnston, Iowa location. Since so many records are electronically filed, please call Delta Dental of Iowa in advance so we can have copies ready for you.
Send your request to:
Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000
or call 1-800-544-0718

Delta Dental will review your request and decide your appeal within a reasonable time not longer than 60 days after it is submitted and will notify you of its decision in writing. The individual who decides your appeal will not be the same individual who decided your initial claim denial and will not be that person’s subordinate. Delta Dental may secure the advice of independent dentists or others and require such evidence as it deems necessary to decide your appeal, except that any dental or other expert consulted in connection with your appeal will be different from any expert consulted in connection with your initial claim. The identity of any dental or other expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be given a notice of denial on review that provides the following information:

1. the specific reason(s) for the denial;
2. the specific provisions of the Dental Plan on which the decision is based;
3. a statement of your right to review (on request and at no charge) relevant documents and other information;
4. if Delta Dental relied on an “internal rule, guideline, protocol, or other similar criterion” in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other similar criterion will be provided free of charge to you upon request; and
5. a statement of your right to bring suit under ERISA § 502(a).
ELIGIBILITY

COVERAGE ELIGIBILITY
You are eligible to be a participant in the Dental Plan if you are an employee who has met your employer’s eligibility requirements or if you are either the eligible spouse or an eligible child of an employee who has met the employer’s eligibility requirements.

ELIGIBILITY REQUIREMENTS
Each full-time employee who began work before the effective date of this Dental Plan is eligible to enroll for benefits on the effective date of this Dental Plan. If a full-time employee does not enroll at the time of the original enrollment of the group, the employee is eligible to apply at the regular reopening of the group.

New full-time employees are eligible to apply for coverage:
■ Within 30 calendar days following the date of employment. The application must be received by us no later than the second monthly group statement following eligibility; or
■ At the regular reopening of the group after the date of employment.

Please Note: For faculty, a full-time employee means an employee who works a minimum of 20 hours per week for a minimum of two consecutive semesters. For staff, a full-time employee is defined as those who work in a non-temporary position for at least 30 hours per week for at least nine consecutive months.

WHEN BENEFITS BEGIN
Your rights to receive benefits under this Dental Plan begin on your effective date. If you have just started a new job, check with us or your plan sponsor to find out your effective date.

Please note: Before you receive benefits under this Dental Plan, you have agreed on the application for benefits (or in documents kept by Delta Dental or us) to release any necessary information requested about you so Delta Dental can process claims for benefits. You must allow any healthcare provider or his or her employee to give Delta Dental information about a treatment or condition. If Delta Dental does not receive the information requested, or if you withhold information in your application, your benefits may be denied.
If you fraudulently use the identification card or misrepresent or conceal material facts in your application, then Delta Dental may terminate your benefits.

**TYPES OF COVERAGE**

There are different categories of coverage you may hold under this Dental Plan:

- **With single coverage**, you are the only one covered.
- **With family coverage**, you and your eligible spouse, and each of your eligible children are covered and are considered beneficiaries. Each eligible Covered Person must be listed on your dental application for coverage or added later as a new eligible Covered Person.

**ELIGIBLE COVERED PERSONS**

An eligible Covered Person is an employee who has met the employer’s eligibility requirements and the employee’s spouse and/or eligible child(ren).

Spouse means your husband or wife as the result of a marriage that is legally recognized in Iowa or a domestic partner (same sex spouse) approved by the University of Northern Iowa.

An eligible child can be your natural child, a child placed with you for adoption or a legally adopted child, a child for whom you have legal guardianship, a stepchild, or a foster child. To be an eligible beneficiary, a child must meet at least one of the following standard requirements:

- The child is under age 26.
- The child is age 26 or older, not married, and a full-time student. For an eligible child to be considered a full-time student they must be enrolled in an accredited institution of higher learning, such as a college, university, nursing or trade school, and carry enough hours to be classified by the institution as full-time. Full-time student status continues during regularly scheduled school vacation periods, and during absence from class in which enrolled for up to four months due to a physical or mental disability. The disability must be substantiated by a written statement from a physician.
- The child is a dependent of the child’s parent and is totally or permanently disabled, either physically or mentally. If the dependent child is permanently disabled, the disability must have existed before the child was age 19 or while the child was a full-time student under 26 years of age, and the child must have had continuous qualifying dental coverage without a break of 63 days or more since the child turned age 19 or while the child was a full-time student under age 26.
A child who has been placed in your home for the purpose of adoption or who you have adopted shall be eligible for coverage as of the date of placement for adoption or as of the date of actual adoption, whichever occurs first.

**ELIGIBLE CHILD(REN) COVERAGE TERMINATES**
Coverage for eligible children turning age 26 will terminate at the end of the calendar year in which they turn age 26. If the eligible child is a full-time student who is unmarried and over age 26, coverage will terminate at the end of the month in which they cease to be a full-time student.

**QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMSCO)**
If you have a child and we receive a Medical Child Support Order recognizing the child’s right to enroll in this Dental Plan and/or any other benefit plan, we will promptly notify both you and the child that the order has been received. We also will inform you and the child of our procedures for determining whether the order is a Qualified Medical Child Support Order. You may obtain, without charge, a copy of QMCSO procedures from your employer.

**WHEN BENEFITS END**
Your eligibility for benefits under this Dental Plan will terminate at the end of the month for any of these reasons:
- You become ineligible for coverage under this Dental Plan. See *Eligibility* earlier in this section.
- You become unemployed. Termination of your coverage for this reason applies only if you receive your coverage through us.
- We decide to discontinue or replace this coverage.
- Delta Dental decides to terminate this Dental Plan by giving written notice to us 90 days prior to termination.

Your coverage will end if any of the following occurs:
- You use your dental benefits fraudulently or you fraudulently misrepresent or conceal material facts in your application. If this happens, Delta Dental will recover any claim payments made.
- Delta Dental will not pay claims if we fail to make payment to Delta Dental when due.
Authority to Terminate, Amend, or Modify
We have the authority to terminate, amend, or modify the benefits and coverage described in this Summary Plan Description at any time. Any amendment or modification will be in writing and will be as binding as this Summary Plan Description. If this Dental Plan is terminated, you may not receive benefits.

CONTINUED COVERAGE (COBRA)
There are some federal and state laws that may affect your dental benefits. These laws apply to continuing your coverage when you are no longer eligible for this Dental Plan.

Coverage Continuation Under Federal Law — COBRA
The Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to employers with 20 or more employees. COBRA entitles you, your eligible spouse, and your eligible children to a continuation of coverage under this Dental Plan if coverage is lost due to any of the following qualifying events:

- Death of the employee covered under this Dental Plan.
- Termination of employment for reasons other than gross misconduct.
- A reduction in hours causing loss of coverage.
- Divorce or legal separation.
- The employee covered under this Dental Plan becomes entitled to Medicare.
- Child/Children are no longer considered eligible by our eligibility rules.
- The employer from whom the covered employee retired files bankruptcy under federal law (in certain cases).

Please note: You, your eligible spouse, or your eligible children are responsible for notifying us of a dissolution of marriage, legal separation or a child losing eligibility status.

If you wish to continue your benefits, you must complete an election form and submit it to us within 60 days of the later of the date:

- You are no longer covered; or
- You are notified of the right to elect COBRA continuation coverage.

You will be responsible for paying any premiums to us for the continuation of benefits under this Dental Plan. Depending on how you qualify, you may continue your coverage for up to 18 or 36 months.
If during the period of COBRA coverage, a child is born to you or placed with you for adoption, the child can be covered under COBRA coverage and can have election rights of his or her own.

If you or any other eligible Covered Person(s) who have elected COBRA coverage is determined to be disabled under the Social Security Act during the first 60 days of continuation coverage, your COBRA coverage may continue for up to 29 months. The 29-month period will apply to you, your eligible spouse, and/or eligible child(ren) who elected COBRA coverage. You must provide notice of the disability determination to us within 60 days after the determination.

If you lose your coverage, contact us. We will help you with any necessary paperwork and let you know the cost of continuing your coverage.

**Length of Coverage under COBRA**
Continuation coverage ends at the earliest of one of these events:
- The last day of the 18-, 29-, or 36-month maximum coverage period, whichever is applicable.
- The first day (including grace periods, if applicable) on which timely payment is not made.
- The date on which we cease to maintain any group plan (including successor plans).
- The first day on which a beneficiary is actually covered by any other group plan. However, if the new group plan contains an exclusion or limitation relating to any preexisting condition of the beneficiary, then coverage will end on the earlier of the satisfaction of the waiting period for preexisting conditions contained in the new group plan or upon the occurrence of any one of the other events stated in this section.
- The date the qualified beneficiary is entitled to Medicare benefits.

**COVERAGE CHANGES**
**QUALIFYING EVENTS CHANGING COVERAGE**
Certain events may require you to change who is covered by this Dental Plan. These events may include:
- **Active Duty in the Military** of an eligible child or spouse
- **Appointment as a Legal Guardian** of a child
- **Birth or Adoption** of a child
- **Care of a Foster Child** (when placed in your home by an approved agency)
- **Completion of Full-time Schooling** of a child age 26 or older
- Death
- Divorce, Annulment, or Legal Separation of a participant
- Eligible Child (and no longer meets eligibility requirements) reaches age 26
- Exhaustion of COBRA Coverage
- Marriage
- Spouse or Child Loses Eligibility for Qualifying Dental Coverage or we cease contributions for qualifying dental coverage. In this case, your eligible spouse and any eligible children previously covered under the prior qualifying dental coverage are eligible for coverage under this Dental Plan.

**NOTIFICATION OF CHANGE**

You must notify us within 31 days of the date of the event that changes the status of your eligibility. Delta Dental of Iowa must be notified within 60 days of the date of the event that changes the status of your eligibility for births, adoptions, or due to a change in eligibility status for Medicaid, CHIP, or Hawki. You can ask your employer or group sponsor to help you make this request. If a change to your eligibility is not made within 31 days of an event, the person(s) affected may lose important coverage.

**COVERAGE TERMINATION**

**EFFECTS OF TERMINATION**

If your coverage is terminated for fraud, misrepresentation, or the concealment of material facts:

- **Delta Dental will not pay** for any services or supplies provided after the date the coverage is terminated.
- **This Dental Plan will retain legal rights.** This includes the right to initiate a civil action based on fraud, concealment, or misrepresentation.

If your coverage is terminated for reasons other than fraud, concealment, or misrepresentation of material facts, Delta Dental will stop benefits the day your coverage is terminated.

**DELTA DENTAL’S RIGHT TO RECOVER PAYMENTS**

**PAYMENT IN ERROR**

If for any reason Delta Dental makes payment under this Dental Plan in error, Delta Dental may recover the amount Delta Dental paid.
**SUBROGATION**
